AZ CORP COMMISSION
DOCUMENT CONTROL

The Honorable Mike Gleason
Chairman
Arizona Corporation Commission
1200 W. Washington
Phoenix, AZ 85007

Dear Chairman Gleason:

Re: Northern Arizona Energy Project

On behalf of Mohave Community College, I would like to express our support for the proposed Northern Arizona Energy Project being developed by LS Power. This project will directly benefit the College through the property taxes it will pay into the community.

Mohave County is experiencing unprecedented growth and causing a strain on aging school facilities and infrastructure. Industrial projects that are capital intensive, like Northern Arizona Energy, increase the property tax base and help us address our capital needs.

LS Power has proven itself to be a good corporate citizen in Mohave County. They have held public meetings to explain their project and made themselves available to answer questions.

We urge you to support this important project.
